RE: School and Community Safety

Håfa Adai,

In the interest of student and community safety, and in compliance with the law, please note that the area outside of our GWHS gate near Guam Community College is a **tow-away zone**. In collaboration with the Mangilao Mayor's Office, tow-away zones have been identified in red. Additionally, there is to be no parking of vehicles along the GWHS perimeter. Any vehicles parked along the identified areas or in areas that obstruct traffic and/or safe passage of emergency vehicles will be towed at the owner's expense.

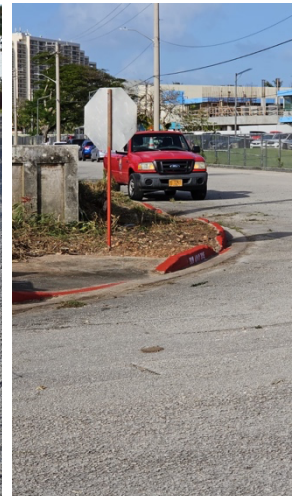

For our student drivers: For the safety and protection of your person and vehicle, it is highly recommended to obtain a parking permit and park *on campus* in designated student parking areas. Here are the requirements for parking permits on campus:

- ☐ Updated vehicle registration and insurance policy card with student's name on insurance card
- ☐ Student's valid driver's license (permits will not be accepted)
- ☐ Parent(s)/Guardian(s) valid ID
- ☐ \$15.00 payment per semester

We need everyone's assistance in ensuring the safety of our students and our community; as such, effective Monday, January 22, 2024, we will work with our school personnel, the mayor's office staff, and law enforcement in the clearance of the areas identified in this memo. Please be reminded that vehicles that are parked in tow-away zones will be towed at the owner's expense.
